Richard Allan Miskin III is this week’s student of the week. Richard joined the academy in the Spring of 2011. He is in the Computer Science research cluster working with Dr. Fenwick and he is currently seeking a degree in Computer Science.

Richard is from Hickory, NC and graduated from St. Steven’s High School in 2010. His favorite subject is Computer Science and he loves working out, surfing, grappling, and his favorite band is the Red Hot Chili Peppers.

His most memorable moment from being a student in the thus far was going to the Green Valley Elementary School to teach the children the fundamentals of programming through the application software called Scratch. When asked to provide a quote about his experience in the academy, he quoted Lamda Chi Alpha: “Naught Without Labor”. Richard plans on going to graduate school and getting a job in Security.
