

## STEP 5: Share What You Know

Chat with fellow Girl Scouts and with at least one of the speakers!  
You could tell them information about you or ask a question.

Create a poster using some of your answers from steps 1-4.

Explore other posters.

Now that I've earned this badge, I can give service by:

- Sharing what I learned with my friends who weren't here today
- Practicing my math so I have knowledge and can help others
- Serving as a mathematical role model for Daises or Brownies

---

I'm inspired to:
