

STEP 5: Share What You Know

Which π -athlon activities did you select and who did you work with?

Talk about something you checked off on one of these patch pages with a fellow Girl Scout.

Now that I've earned this badge, I can give service by doing one or more of the following things. I am most interested in (circle one or more):

- Sharing what I learned with my friends who weren't here today
- Practicing my math so I have knowledge and can help others
- Serving as a mathematical role model for younger Girl Scouts

I'm inspired to:
