We really want to know what you think before planning for the future!

- 1. Check which grade applies to you:
- 2. What did you like about today?

3. What was your least favorite thing about today?

4. Would you tell a friend (or someone else your age) about this event?

Circle one: Yes Probably Yes Maybe Probably Not No

5. If you answered maybe, probably or yes in #3, what would you tell them, and if not, why not? (there is more room on the back if you need it)
