1 - item is unsatisfactory of needs improvement $2$ - item is sa $3$ - item is exceptionally well done $N/A$ - Not a				
Presenter's Name and Topic:				
	1	2	3	N/A
Project Criteria	+-	+-		11/11
Connections to other class(es)				
Historical progress into at least the 20th century				
At least 5 sources in a literature review				
At least two additional scholarly research articles from last 5 years				
LaTeX				
Proper citations				
Mathematical depth and rigor				
Mathematical connections				
Presentation				
Consistent style				
Flow				
Speaking style				
Organization of thought				
Professionalism				
Appropriate use of technology				
Accessibility (audience level)				
Handling of questions
