

Hawkins. William A.. David Harold Blackwell. www.maa.org/summa/archive/blackwl.Htm

This article is the chronology of Blackwell's life. It does not say much about his mathematics or the problems he ran into during his life.

David Blackwell's Home Page.

This page is only good for the email address of Blackwell. It says that he is a professor and done work on game theory. It also mentions the book Theory of Games and Statistical Decisions.

Williams Scott W. David Harold Blackwell.
www.math.buffalo.edu/mad/PEEPS/blackwell_david.html

This site gives the chronology of Blackwell's life as well as the honors he has been awarded. It also mentions that he suffered hardships because he was black.

David Blackwell. www.scidiv.bcc.ctc.edu/Math/Blackwell.html

This site contains the chronology of Blackwell. It skips the hardships and talks about how he is a professor at the University of California, Berkley and raves that he is such a good teacher.
