

Getting to Know a Scholar: 11/9-11/15/15

Background: Haihoua Yang is from Kannapolis and graduated from AL Brown Highschool in 2010. Haihoua is majoring in computer science at ASU. She enjoys listening to music and watching movies in her free time. Haihoua chose computer science because she was interested in gaming. This interest only grew from being involved in the STEP program. She chose ASU because of the dynamic campus life and because she enjoys seeing snow but not necessarily walking in it.
