

**Getting to Know a Scholar: 9/26/16 – 10/2/16**

**James Ward** is from Salter Path, NC where he attended West Carteret High School and graduated in 2015. James is a Computer Science major and his favorite subject is coding. He enjoys surfing, skateboarding, videogames, reading, and sports. He decided to pursue computer science because he has always been fascinated by modern technology. He chose ASU because the people are very friendly and it was originally his secondary university when he applied to schools.
