

Getting to Know a Scholar: 3/21-3/27/16

Wilton Latham is from Fort Bragg, NC where he attended Zebulon B. Vance High School where he graduated in 2014. He is double majoring in Mathematics and Computer Science. He enjoys army ROTC, listening to jazz music, and The Lord of the Rings. He decided to pursue Mathematics and Computer Science because he wanted to write programs and solve problems from the eye of a mathematician. He chose ASU because he enjoys the mountainous landscape and the adventure that is at hand with the landscape.
