

Dr. Sarah's GWS 3350: Gender, Media and Popular Culture

Incubation Session 1: The problem

Each incubation session is broken up into four timed components:

1. presenter summarizes a **problem** related to gender and the media and/or gender and popular culture
2. clarifying questions from the remainder of the group—the presenter can answer the questions
3. an incubation period for group members to discuss the issues **while the presenter silently but actively listens**
4. a rejoin period during which the presenter responds, asks questions, and/or summarizes

Incubation Session 2: The action plan

Each incubation session is broken up into four timed components:

1. presenter summarizes a proposed **plan of action** related to a problem in gender and the media and/or gender and popular culture
2. clarifying questions from the remainder of the group—the presenter can answer the questions
3. an incubation period for group members to discuss the issues **while the presenter silently but actively listens**
4. a rejoin period during which the presenter responds, asks questions, and/or summarizes
