- specifically address each of the items in the learning goal:
“discover relationships”
“seem”—IGS is never a proof
- AB versus \overline{AB}
- you is not typical in reflections—we or I is better
- personalizing
- too informal: got, thing, math...
- text itself in standard font typically at least 1–2 pages
single spaced

I am here to help if you bring a draft into office hours!
The Writing Center can help too. Read it out loud or have a software program do so.
